WELCOME TO THE 6TH YOUTH SCIENCE FORUM "LITTERIS ET ARTIBUS"!

Authors of original papers describing research in the areas corresponding to the scope of our 9 conferences (see overleaf) are invited to participate. Researchers who are yet under 35 on November 24, 2016 are eligible to apply (at least one of the paper authors should satisfy this age criteria).

Submitted papers should be laid out in compliance with templates available from the conference website. Papers volume should conform to limit outlined in the template (2, 4 or 6 full pages). All papers should be written in English in a clear and concise manner.

All applications should be submitted via the particular conference website (e.g. ukrscience.org/cse). In order to apply one should:

- register on ukrscience.org;
- log in and post an application;
- make the necessary corrections according to Secretary's comments (if needed).

Accepted refereed papers will appear in conference digital proceedings to be published by the conference opening on CD-ROMs and presented to the participants on registration. All papers accepted will be in free access on the conference website.

Conference participants will present their work on posters (camera-ready poster layouts should be submitted via the conference website on paper acceptance, organizers will print them on size A1 paper). Selected papers will be presented orally.

Authors of the best presented papers will be asked to extend them for publishing in the special issue of "Challenges of modern technology" scientific journal: ISSN: 2082-2863 (print), 2353-4419 (online).
